### Stayover Basics

Stayovers bridge the weekend between sessions for campers staying multiple weeks. It's a relaxed, fun, and fully supervised weekend designed to help campers rest, recharge, and keep their momentum going.

#### What's Included:

- Meals, activities, and year-round staff supervision
- Chill programming (games, crafts, waterfront time, movie night, campfire)
- Plenty of downtime and comfort moments
- **Laundry washed between weeks**

#### Things to Know:

- \$125 per stayover (covers meals, activities, and staffing)
- Only for multi-week campers
- Phone-free weekend (but we'll always call if your camper needs you)
- No extra packing required

Stayovers are a popular choice for many families — they deepen friendships and make multi-week stays easier on everyone.

### Multi-Week Family Discount

Families who complete 4 or more total weeks (across any campers in your household) save \$50 on every session. No code needed — our team applies it for you.
