

# 2027 Dates & Themes

## YMCA CAMP IMMOKALEE

### Camp Kickoff: Pirates

June 2-5

Ahoy, young mateys! Come and SEA the treasures of Lake Brooklyn. Find the map, meet Brooklynbeard (Blackbeard's long-lost brother), and join a mighty fine crew. With all that on yer side, ya might just find the lost Immokalee treasure. YO-HO-HO!

There is no stayover between Camp Kickoff & Session 1.

### Session 1: Color Wars

June 6-12

Kick off the summer with one of our longest-standing traditions: Color Wars! Cabins spend the week competing in challenges big and small. Get ready to dress in your team color, cheer until you lose your voice, show off some serious team spirit, and earn points everywhere you go. By the end of the week, only one team will walk away with Color Wars glory. Will it be yours?

**Color Wars Tip:** These weeks work a little differently! Campers get color assignments early, we go live nightly so fans at home can follow the score, and Color Wars sessions tend to fill up first.

### Session 2: Week of Heroes

June 13-19

Not all heroes wear capes, but this week, you totally can. Superheroes, legends, myths, and everyday heroes all get their moment. Choose your powers, take on heroic challenges, meet larger-than-life characters, and maybe even save camp along the way. There's a hero for everyone at Immokalee.

### Session 3: Game On

June 20-26

Put down the controller and jump into the game! This week, video games and board games come to life all over camp. Race through real-life Mario Kart, hunt for Pokémon, become a human game piece, and take on challenges inspired by your favorite games. No screens needed. This time, you're in the game.

There is no stayover between Sessions 3 & 4.

## Session 4: Around the World

June 27–July 3

Grab your passport! We're taking a trip around the world without ever leaving Lake Brooklyn. Race from country to country, try games and traditions from across the globe, and take on challenges inspired by faraway places. Pack your sense of adventure because this week, Immokalee is going worldwide!

**Around the World Tip:** Each cabin represents a country, which we'll send out ahead of time so campers can arrive ready to show some country pride. We'll also go live each night so fans at home can follow the action!

## Session 5: Chaos

July 4–10

**CHAOS IS BACK!** No telling what might happen next. Expect backwards days, surprise challenges, ridiculous competitions, and activities that could only make sense at Immokalee. The only thing you can count on this week? Expect the unexpected.

## Session 6: Movie Mayhem\*

July 11–17

Lights, camera, **MAYHEM!** This week, some of our favorite movies are taking over camp. Expect ogres, dragons, dinosaurs, mischievous yellow sidekicks, and maybe even a trip under the sea. Grab the popcorn and get ready because at Movie Mayhem, you're part of the action!

## Session 7: Immokalee After Dark

July 18–24

Immokalee is turning up the **BRIGHT!** By day, expect neon colors, colorful challenges, and plenty of ways to stand out. When the sun goes down, the real glow-up begins with black lights, glow-in-the-dark games, and nighttime adventures. Pack your brightest colors because Immokalee After Dark is ready to **GLOW!**

## Session 8: Wizing World of Immokalee

July 25–31

The magic is back at Immokalee! Grab your wand and spend the week earning points for your house through magical challenges, potions, games, and a little friendly competition. With spells to learn, mysteries to solve, and surprises around every corner, you never know what kind of magic you'll find. Wands at the ready!

**Wizing Tip:** wizing tip: Campers get their houses ahead of time, we go live nightly so fans at home can follow the standings, and this magical week tends to fill up fast!

## Session 9: Color Wars II

August 1-7

One last battle for Color Wars glory! We're closing out the summer with our biggest showdown yet as cabins join forces on colored teams for challenges, competitions, and all-out team spirit. There are points to earn, surprises still to come, and one final champion to crown. Summer isn't over til there's one more win!

**Color Wars Tip:** These weeks work a little differently! Campers get color assignments early, we go live nightly so fans at home can follow the score, and Color Wars sessions tend to fill up first.

### How much do the themes really matter?

Your camper doesn't have to love the theme to love the week.

Some kids pick their session because they can't wait for Color Wars or the Wizarding World. Others pick because their friends are coming, the dates work best, or it's simply the week they want to be at camp.

Themes add something special to each session, but they don't take over the week. Campers still zipline, tube, choose activities, hang out with their cabin, gather around the campfire, and do all the things that make Immokalee, Immokalee.

So pick the week that works for your camper. The theme is just part of the fun.
