Ravenclaw

One sunny morning in the quiet camp called Immokalee, Alex the turtle, Baylee the rabbit, and AG the cat gathered at the edge of Lake Brooklyn, their hearts set on an epic adventure. Rumors whispered of a magic pearl hidden deep within the lake's crystal waters, said to grant its possessor wisdom beyond measure. With Alex's steady determination leading the way, Baylee's boundless energy, and AG's keen senses, the trio embarked on their journey. They swam through shimmering depths, dodging playful fish and mysterious underwater plants, until finally, at the lake's heart, they discovered a glowing pearl resting atop a bed of iridescent shells. As they touched the pearl, a gentle hum of ancient wisdom filled the air, illuminating their minds with understanding and empathy. With hearts full and spirits lifted, Alex, Baylee, and AG returned to camp Immokalee, carrying the magic of the pearl with them, forever bonded by their unforgettable adventure beneath the serene waters of Lake Brooklyn.
